

PUBLIC NOTICE**ENVIRONMENTAL IMPACT ASSESSMENT IN SUPPORT OF THE PROPOSED
MIDDELWATER WASTE MANAGEMENT LICENCE APPLICATION (PREVIOUSLY
KNOWN AS THE MULTISAND APPLICATION), GAUTENG – MIDDELWATER
RESOURCE FACILITY (PTY) LTD****Gaut Ref No.: 002/23-24/W0028**

Dear Sir/Madam,

Thank you for your ongoing participation and valuable input in relation to the Middelwater Waste Management Licence Application.

We write to provide an update on the status of the above mentioned Waste Management License Application. The Gauteng Department of Environment (GDEnv), formerly known as the Gauteng Department of Agriculture, Rural Development and Environment (GDARDE), has completed the review of the final submission.

Following its technical assessment, GDEnv has requested the submission of supplementary information and specific amendments to certain components of the application. These requested inputs primarily relate to the following key focus areas: Technical Specifications and Design, Need and Desirability and the response on Public Participation.

We are currently in the process of compiling the formal response to GDEnv. Once completed, the documents forming part of the response will be made available to all registered Interested & Affected Parties for a 30-day comment period. Notification of the exact availability dates will be circulated in the coming weeks.

An electronic copy of the GDEnv's formal request letter is attached to this correspondence and is also available for download on the EcoPartners website at: <https://www.ecopartners.co.za/projects/>.

Should you have any immediate questions regarding this process, please do not hesitate to contact me directly.

Kind regards,

N Bredenhann
